

A romantic photograph of a couple holding hands, framed by a white border. The person on the left wears a dark grey suit jacket, and the person on the right wears a white suit jacket with pearl buttons. They are standing on a hillside overlooking a valley with a small town and mountains in the distance. The image has a soft, slightly desaturated color palette.

HEATHER AILEEN

ELOPEMENT PHOTOGRAPHY

Rustic | Candid | Natural

IN GOOD HANDS

Hi, I'm Heather, a wedding and elopement photographer based on the Isle of Skye, capturing natural, candid, and story-driven images for couples in the Scottish Highlands. I've been a professional photographer for nearly 10 years, starting in fashion before discovering my true passion; telling real stories of real people. For the past four years, I've been photographing weddings across Scotland, from cosy barns and grand castles to family farm celebrations, always focusing on capturing moments that feel authentic and heartfelt.

I pride myself on being relaxed and friendly, making both the booking process and your wedding day as effortless and enjoyable as possible. My style is natural and rustic, filled with candid moments, but I love sprinkling in a few fun posed shots too. Growing up in Glenisla, at the foot of the Cairngorms, I spent my childhood exploring the hills and falling in love with Scotland's dramatic landscapes. Now living on the Isle of Skye, I'm thrilled to focus on elopements, helping couples tell their stories against some of the most breathtaking scenery in Scotland, from Glencoe to Skye's rugged coastline.

THE PACKAGES

01 A MOMENT £650

A beautiful hour that captures the heart of your elopement. A Moment includes everything you need to tell the story of your ceremony in a simple, meaningful way. We'll begin with the walk to your ceremony location, one of my favourite parts of any elopement, capturing relaxed, candid moments as you make your way through the wild landscape. I'll photograph your ceremony naturally as it unfolds, followed by a series of stunning candid and gently posed portraits in the same area or its nearby surroundings. It's the perfect package for couples wanting a short but powerful snapshot of their day.

02 A CHAPTER £925

More time, more story, more room for the landscape to play its part.

A Chapter includes everything from A Moment; your walk, candid storytelling, the ceremony, and beautiful portraits but with extra time to wander, breathe, and explore. With two hours, we can visit a secondary location to give your gallery even more variety. This package is perfect for couples who want a richer, more layered story of their elopement day, with both candid emotions and breathtaking scenery woven throughout.

03 THE STORY £1400

From the early moments to the last light—your full elopement story, beautifully told.

The Story offers the fullest storytelling experience, beginning with gentle getting-ready photos that set the scene and capture the anticipation of your day. From there, I'll document your walk, your ceremony, and all the candid and posed portraits that follow. With four hours, we can also visit a secondary location, giving your images multiple backdrops. This package is ideal for couples who want their entire elopement journey captured in a relaxed, natural, and cinematic way.
